

DevOps Position

Morphotech is a UK bespoke software development provider. We are creating software products and operational systems for businesses across many sectors, including Education, Healthcare, Finance, Supply Chain and Human Resources. We have offices in UK, Portugal and Vietnam.

Main responsibilities

- Manage company development, staging, demo and production environments
- Work closely with every engineering team to gather requirements and plan infrastructure changes
- Automate processes from development to production:
- Build, deploy workflows from the development environment to production
- Implement and automate CI / CD pipelines
- Automate everything
- Monitoring: Implement logging, alerting, and monitoring practices and tools on cloud
- Create tools to give developers more autonomy over the platform in which their services run, so they can own the deployment lifecycle, monitoring, etc

Essential requirements

- 2+ years of experience in DevOps position
- Experience in cloud computing such as AWS (EC2, VPC, RDS, S3, Route 53)
- Knowledge of servers administration Linux
- Experience working with containers (Docker, Docker compose, K8s)
- Experience with Oracle database and PostgreSQL
- Experience with tools like Nginx, Tomcat and WebLogic
- Experience with CI/CD pipelines and tools like Jenkins
- Knowledge of a programming or scripting language
- Strong communication and collaboration skill
- Experience with code sub-versioning using Git
- Experience with unit and integration test development
- Fluency in English language both in writing and speaking

Desirable requirements

- Experience with Oracle Cloud and Azure
- Experience in infrastructure as code (Terraform, Ansible)
- Frameworks for monitoring (Grafana, Telegraf, Prometheus or similar)
- Log management (ELK)
- Experience with Keycloak
- Experience with tools like Sonarqube and Nexus
- Familiar with DevSecOps and related tools

Benefits

- 15 days annual leave + birthday
- Health and social insurance
- Unemployment insurance
- Opportunity to build/grow a team
- Flexible working arrangements
- Motorcycle parking
- Free drinks & snacks
- AC Office space
